

Guided tour

IL LABIRINTO DI ARNALDO POMODORO

Immerse yourself in the artist's environmental work

Discovering a place that evokes distant times, the work of a life, a magical and evocative environment inspired by the Epic of Gilgamesh. Entering Arnaldo Pomodoro's Labyrinth we will immerse ourselves in a timeless work that evokes past worlds and disappeared civilizations and where the biographical and artistic stages of the sculptor re-emerge through an experience in which introspection and art go hand in hand. A journey into the artist's imagination, between reworkings of already known sculptures and forms still in progress.
